Everyone in my shop was kind of jealous...I have gotten 7 packages in the last 3 days. Four of which came from the Pub. They all settled down when I started sharing the candy with them too. There was just so much thoughtful and useful stuff in the packages you sent I can't even begin to tell you how much we all really appreciate it. I have not had to buy any toiletries or snack foods since I have come out here because of you. Those FiberOne and Nature Valley Bars are DELICIOUS. I have been trying to lose weight since coming out here and they give me something nutritious to snack on, they are perfect!

I am looking forward to coming home in November for my 2 weeks of "R&R" so I can give you all a face to face thank you. I hope all is well back in the States and once again really, truly thank you SO much.
