Subject: [U] Thank you from the platoon

Classification: UNCLASSIFIED

Hi sorry it's taken me so long to send a thank you reply for the packages you have send. The platoon loved seeing me get a box in the mail because they knew that I would slide it out in the middle of the floor and everything in it was up for grabs! Everything has been used that we have received the bears chalk and the extra tooth brushes were sent out with a team and given to some of the locals here by the base. Thank you so much for supporting us while we are away from home. If you want we can keep in touch this is my work email address and I am in it most everyday. Again thank you for everything.

LCpl WILLIAM BOWERS and CSSOC PLATOON

Ps. I got promoted the first of OCT. so its LCpl not PFC on the address anymore.
