

Dear Champ,  
Thank you so much for the boxes. Me and my guy's appreciate everything that was sent. It's a big relief/motivation to us all when we receive mail from home, keeps us all in good spirits when we know other are thinking about us. Please let all the companies and people know how much we appreciate the boxes and that we thank them for it. Sorry the writing isn't the best all of the teaching the marine corps gives us, penmanship isn't the highest on the list (or spelling) Haha

Thanks again
